

October 22, 2020

MCSIG PPO\$20 Plan Subscriber:

The purpose of this letter is to inform you about an IMPORTANT CHANGE that the MCSIG Board has made regarding your medical coverage under your MCSIG PPO\$20 Plan. Please read this material carefully as it affects your current medical coverage and requires you to take action during the November Open Enrollment.

The MCSIG Board has voted to terminate the PPO\$20 plan as of midnight, December 31, 2020. The primary reason the plan will end is that the premium required for the 2021 plan year far outpaced the plan protections in the subsequent plan choice. All current PPO\$20 plan participants will need to enroll in an alternative plan, or you will be defaulted to the next level coverage provided by your employer.

Please contact your district human resources office to complete the required change form to select an alternative plan choice during your employers November Benefits Open Enrollment.

If you have any questions on the MCSIG plans, please feel free to call Customer Service at (831) 755-8055.

Sincerely,

Roxanne Buckner
Executive Director
