

Delta Dental's plans

Delta Dental Premier[®]

Delta Dental Premier is a traditional fee-for-service plan that allows you to visit any licensed dentist and to change dentists at any time without notifying Delta Dental.

Delta Dental Premier dentists agree to abide by Delta Dental's determination of fees. When you visit a Delta Dental Premier dentist, we ensure that you pay no more than the co-insurance percentage specified by your coverage.

Delta Dental Premier is our largest dentist network.

Maximum Coverage per calendar year, per person: \$1,500

Delta Dental PPOSM (offered as a dental provider organization, or DPO, in TX)

Delta Dental PPO is our Preferred Provider Organization plan (a mid-priced fee-for-service plan).

With Delta Dental PPO, you have the flexibility to visit any licensed dentist. You'll usually enjoy lower out-of-pocket costs when you select a Delta Dental PPO dentist because PPO dentists have agreed to accept reduced fees for covered procedures when treating PPO patients.

Delta Dental PPO is our second largest dentist network.

****Maximum Coverage per calendar year, per person: \$1,650***
